Media release

Ypsomed shares Q3 2025/26 update in new quarterly CEO statement series

Burgdorf, 09.01.2026, 7:00 a.m. – CEO Simon Michel presents Ypsomed's (SIX: YPSN) strategic direction and key highlights for the third quarter of the 2025/26 financial year. The video marks the first episode of a new quarterly CEO update series, offering regular insights into strategic progress and market development alongside Ypsomed's regular financial reporting.

Ypsomed reached multiple strategic milestones in Q3 2025/26:

- Three new product platforms were launched, and the fully recyclable autoinjector YpsoLoop won the prestigious CPHI Innovation Award.
- Ypsomed announced the new clinical excellence program "Clear-to-Clinic", de-risking and accelerating clinical trials for pharma and biotech clients.
- Five drugs launched in Ypsomed devices in Q3 2025/26.
- The manufacturing expansion is well underway; in the US Ypsomed acquired land and building for the new Holly Springs site and in China first batches were delivered to local customers.
